

**Signatures Required on the “Application for REB Review”
Niagara Health System
January 2009**

The following is a list of the Niagara Health System’s officials who are authorized to sign the **Application for REB Review** form when resources involving their respective areas are required. It is the responsibility of the applicant to ensure that all areas from which resources will be required have been consulted and have indicated agreement by signing where appropriate on the **Resources Utilization Page** and the **Signature Page for Medical Director/Chief of Department and Administrative Director**. (Please note that this list is reviewed and updated periodically)
