Extraordinary Caring. Every Person. Every Time.  
**Medication Clinic**

Niagara Falls Hospital  
5546 Portage Rd  
905-378-4647 ext. 53803

You have been referred to our Medication Clinic at the Niagara Falls Hospital.

Once you enter the front entrance of the hospital then go past the Tim Hortons to the elevators (across from pharmacy on the left side of hallway). Go down one floor, get off elevators (go left) and when you come to an adjoining hallway, please follow the red line on the floor.

That red line will take you to the Outpatient Mental Health area. Go through the closed door and follow hallway. You will come to the reception area to check in. Please then wait in the waiting area until the nurse comes for you.

## Medication Clinic

Welland Hospital

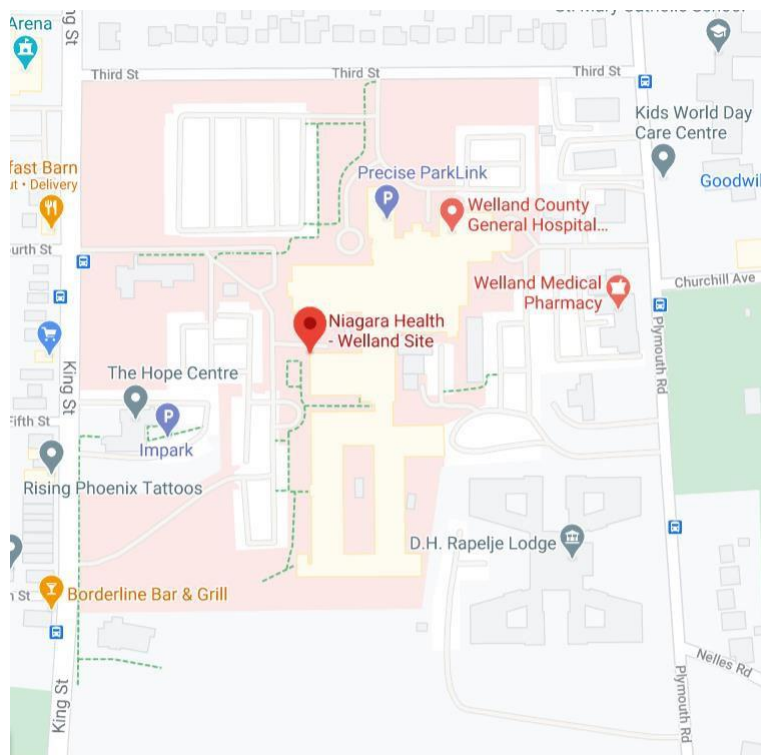

McLean Building

115 McLean Place

905-378-4647 ext. 33522

You have been referred to our Medication Clinic at Welland Hospital,  
McLean building.

Arrive at McLean Place Road (behind the emergency) to a separate 5 level building.  
Enter the front door of that building, straight ahead are double doors, go through  
and again straight ahead is a waiting area. Please then wait in the waiting area until  
the nurse comes for you.

## Medication Clinic

Marotta Family Hospital

1200 Fourth Ave

905-378-4647 ext. 49613

You have been referred to our Medication Clinic at Marotta Family Hospital.

Once you go through the main front entrance of the hospital, facing First Street Louth, go past the Tim Hortons (on the left side of hallway) until you reach a bank of 3 elevators. Turn left, go through the open doorway with overhead sign stating "outpatient mental health" and follow that hallway until you come to patient registration (look up at signs on ceiling). Please check in there with clerical staff. They will further direct you which waiting area to sit in until the nurse comes for you.
