It's Our Time to Celebrate, Niagara!

The Niagara Health System welcomes members of the media to celebrate a monumental milestone in the history of health-care delivery in Niagara.

Advancements supported by the *It's Our Time* Campaign will be pivotal in providing our staff and physicians with the tools to provide leading-edge quality care to our patients for generations to come; helping to attract nurses, doctors and medical professionals to the Niagara Region.

Join us on Thursday, May 10 as we pay tribute to the dedicated volunteers and donors who undertook the most ambitious health-care campaign in the history of Niagara.

Together, we are part of the solution.
