Dear Doctor/Nurse Practitioner:

Your patient has applied for admission to the residential component for treatment of his/her addiction(s) at the New Port Centre. We request a thorough and accurate completion of the enclosed Medical Profile to ensure that it is consistent with the medications that the client has been prescribed. New Port offers medical services through an onsite Nurse Practitioner and physician consult during weekdays. New Port addiction counsellors are available 24 hours per day however they are non-medical personnel.

Our program has an affiliated psychiatric consultation service through the Ontario Telemedicine Network (OTN). If you would like your patient to receive an OTN Psychiatric Consultation, please complete the enclosed Central Access to Psychiatric Services Form (CAPS Form) and fax it to the New Port Centre along with the medical profile.

We appreciate your cooperation in completing these forms accurately and in full in order to facilitate the admission and care of your patient.

Many thanks for your attention to these vital safety issues.

Sincerely,

Management,
New Port Centre
