

## ANAESTHESIA NIAGARA HEALTH

The Department of Anaesthesia at Niagara Health seeks highly motivated physicians with a passion for providing the highest quality care to join the department. We are currently recruiting to fill Niagara Health Anesthesia vacancies. The selected candidate will have a proven track record of innovation and for providing exemplary patient care.

Niagara Health is one of the largest multi-site health care systems in Ontario serving 450,000 residents within the Regional Municipality of Niagara. With 912 beds, 4,800 employees, 640 physicians and a \$500M budget, NH provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a new one million square foot state-of-the-art hospital in St. Catharines.

<b>Academic Affiliations:</b>	<p>Since its founding in 1966, innovation has been the hallmark of McMaster University's Michael G. DeGroot School of Medicine and a major contributor to its international reputation for excellence. The medical school has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic partnerships are a priority for NH as the hospital has expanded into this new facility. We are interested in physicians who will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting.</p> <p>In addition to McMaster, Niagara Health is building strong ties with other regional academic providers such as Brock University and Niagara College.</p>
