

BENIGN HEMATOLOGY AND THROMBOSIS WALKER FAMILY CANCER CENTRE & NIAGARA HEALTH

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology, Service of Hematology and Thrombosis. Practice includes community based benign hematology. Niagara Health has launched a thrombosis service to support our peri-operative program, Heart Investigation Unit, Interventional Radiology, Emergency Department and Oncology program/Walker Family Cancer Centre. This includes both In-Patients consultations and Ambulatory clinics with appropriate nursing support in Niagara Health. The selected candidate will have a proven track record of innovation and for providing exemplary patient care.

Niagara is a thriving region with agricultural and green space, an active arts and cultural community and world class wine and food culture. This makes it a very rewarding place to live and work. Niagara Health is one of the largest multi-site health care systems with 700 beds including the new one million square foot state-of-the-art hospital in St. Catharines which is the site of Walker Family Cancer Centre. The transformation of health care across Niagara continues with planning for an additional new hospital to serve residents of the southern part of the region.

Current group:	<ul style="list-style-type: none"> • With recruitment group of 4
Call:	<ul style="list-style-type: none"> • Benign Hematology and Thrombosis call coverage
The Practice:	<ul style="list-style-type: none"> • Fee for Service
