

CARDIOLOGY – LOCUM/TERM NIAGARA HEALTH

The Department of Medicine, Service of Cardiology at the Niagara Health (NH) seeks a highly motivated physician with a passion for providing the highest quality care to join the NH Medical Staff. The selected candidate will have a proven track record of innovation and for providing exemplary patient care.

Niagara Health is one of the largest multi-site health care systems in Ontario serving 434,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,500 employees, 640 physicians and a \$500M budget, the NHS provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a new one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. The NH is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NH as the organization builds on a robust relationship with McMaster University’s Michael G. DeGroot School of Medicine.

Current group:	<ul style="list-style-type: none"> • 11 Cardiologists
Call:	<ul style="list-style-type: none"> • Overnight call approximately 2 to 3 nights per month
The Practice:	<ul style="list-style-type: none"> • Hospital rotations available include daytime cardiology consultation service and CCU coverage • Competitive compensation with no overhead
Academic Affiliations:	<p>Since its founding in 1966, innovation has been the hallmark of McMaster University’s Michael G. DeGroot School of Medicine and a major contributor to its international reputation for excellence.</p> <p>The medical school has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic partnerships will be a priority for the NHS as the hospital has expanded into this new facility. We are interested in Physicians who will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting.</p> <p>In addition to McMaster, the Niagara Health System is building strong ties with other regional academic providers such as Brock University and Niagara College.</p>
Tertiary Care:	<ul style="list-style-type: none"> • Hamilton Health Sciences • 1 hour away

Qualifications Required:	<ul style="list-style-type: none">• Independent license with the College of Physicians & Surgeons of Ontario (CPSO)• FRCP(C) in Cardiology• Eligible to work in Canada without restrictions
