

Locum Cross Sectional Radiologist NIAGARA HEALTH

The Department of Radiology at Niagara Health seeks a highly skilled and motivated physician with a track record for providing compassionate and efficient care for locum tenens starting December 2019 – July 2020.

Niagara Health is one of the largest multi-site health care systems in Ontario serving 450,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,800 employees, 640 physicians and a \$500M budget, the NHS provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NHS as the organization builds on a robust relationship with McMaster University’s Michael G. DeGroot School of Medicine.

The Practice:	<ul style="list-style-type: none"> • The Department has two clinical MR scanners, 4 CT scanners and multiple Ultrasound units The successful candidate is expected to provide expertise and support along with the other members for fluoroscopy, US, CT, X-Ray, nuclear medicine and MRI. • The department is committed to supporting the hospitals mission and values with a priority on quality patient imaging.
Academic Affiliations:	<p>The McMaster University’s Michael G. DeGroot School of Medicine has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic partnerships will be a priority for Niagara Health as the hospital has expanded into this new facility. We are interested in Physicians who will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting.</p>
