

## Cross Sectional Radiologist NIAGARA HEALTH

The Department of Radiology at Niagara Health seeks a highly skilled and motivated physician with a track record for providing compassionate and efficient care to join the Diagnostic Imaging Service. The candidate will be a member of a full service radiology program for the Niagara Region.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team is made up of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care and Surgical Care.

Our Accreditation with Exemplary Standing is a clear demonstration of our team's commitment to the highest safety and quality standards. As a community-based academic centre, teaching and learning, research, innovation and partnership are propelling us as we imagine a healthier Niagara.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NHS as the organization builds on a robust relationship with McMaster University's Michael G. DeGroote School of Medicine.

<b>Current group:</b>	<ul style="list-style-type: none"> <li>28 Radiologists, including 4 interventional Radiologists, servicing 3 hospitals and two community centers (PCG &amp; DMH). The radiology group is expanding to better serve the hospital clinical needs. The radiologists provide on call service to all three hospital sites.</li> </ul>
<b>The Practice:</b>	<ul style="list-style-type: none"> <li>The Department has two clinical MR scanners, 4 CT scanners and multiple Ultrasound units. The successful candidate is expected to provide expertise and support along with the other members for fluoroscopy, US, CT, X-Ray, nuclear medicine and MRI.</li> <li>The department is committed to supporting the hospitals mission and values with a priority on quality patient imaging.</li> </ul>
<b>Academic Affiliations:</b>	<p>The McMaster University's Michael G. DeGroote School of Medicine has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians.</p> <p>Opportunities for strengthening and building strong academic partnerships are a priority for Niagara Health. We are interested in Physicians who are eligible for university faculty appointment</p>

	and are willing to participate in academic activities (teaching, research) within a strong regional community hospital setting.
<b>Tertiary Care:</b>	<ul style="list-style-type: none"><li>• St. Joseph's Hospital Hamilton and Hamilton Health Sciences &lt; 1 hour away</li></ul>
