

GENERAL INTERNAL MEDICINE NIAGARA HEALTH

The Department of Medicine at Niagara Health seeks highly motivated physicians with a passion for providing the highest quality care to join the department. This is a fully integrated and hospital-based program with diverse experiences ranging from acute inpatient management to assessment of urgent outpatient referrals in our General Internal Medicine Rapid Assessment Clinic (GIMRAC).

Niagara Health is one of the largest multi-site health care systems in Ontario serving 450,000 residents within the Regional Municipality of Niagara. With 912 beds, 4,800 employees, 640 physicians and a \$500M budget, the NHS provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a new one million square foot state-of-the-art hospital in St. Catharines.

Current group:	<ul style="list-style-type: none"> • 7 Internists with goal of expansion • Supported by regional subspecialty services including Cardiology, Respiriology, Critical Care, Nephrology, Gastroenterology, Oncology, Hematology and Infectious Diseases

The Practice:	<ul style="list-style-type: none"> • General Internists rotate through our hospital-based program which include: <ul style="list-style-type: none"> ○ Acute inpatient wards ○ ER consults ○ GIMRAC clinic ○ Overnight call • Competitive compensation with no overhead
Academic Affiliations:	<p>Since its founding in 1966, innovation has been the hallmark of McMaster University’s Michael G. DeGroot School of Medicine and a major contributor to its international reputation for excellence. The medical school has expanded to a regional campus in Niagara, which is located at Brock University. Students at the Niagara Regional Campus complete their clinical rotations in one of the six area hospitals with teaching done by the highly skilled and motivated hospital physicians. Opportunities for strengthening and building strong academic partnerships are a priority for the NHS as the hospital has expanded into this new facility. We are interested in physicians who will pursue a university faculty appointment and participate in academic activities within a strong regional community hospital setting. In addition to McMaster, Niagara Health is building strong ties with other regional academic providers such as Brock University and Niagara College.</p>

Tertiary Care:	Hamilton Health Sciences and St Joseph's Healthcare Hamilton 1 hour away
Qualifications Required:	<ul style="list-style-type: none">• Independent license or eligible for independent license with the College of Physicians & Surgeons of Ontario (CPSO)• FRCP(C)• Eligible to work in Canada without restrictions
