

## Locum call Obstetrician/ Gynecologists NIAGARA HEALTH

The Department of Obstetrics/Gynecology at Niagara Health delivers 24/7, comprehensive Level 2B Maternal and Level 2C Neonatal Services providing low to high-risk care to patients within the Niagara region catchment area. Our Women’s and Babies Program delivered 3340 babies in 20/21; we are currently projected to deliver 3780 this year.

Surgical services provide a total OR surgical case volume of ~ 1500 per year of which ~1000 are day stay cases. The Program offers full scope minimally invasive laparoscopic surgery.

We seek highly motivated physicians with a passion for providing the highest quality care to assist our department with on-call Obstetrical and Gynecologic locum services. On call is a 12 hour in-house shift with backup covering Obstetrical in-patients, Labour and Delivery, Gynecologic emergencies, and emergency gynecologic surgeries.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team is made up of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care, Women’s and Babies Care, and Surgical Care.

Our Accreditation with Exemplary Standing is a clear demonstration of our team’s commitment to the highest safety and quality standards. As a community-based academic centre, teaching and learning, research, innovation and partnership are propelling us as we imagine a healthier Niagara.

Strong academic partnerships are a priority for the NH as the organization builds on a robust relationship with McMaster University’s Michael G. DeGroot School of Medicine
