

MALIGNANT/BENIGN HEMATOLOGY LOCUM FOR APP POSITION WALKER FAMILY CANCER CENTER & NIAGARA HEALTH

The Department of Oncology at Niagara Health seeks a highly skilled and motivated Malignant/Benign hematologist with a track record for providing compassionate and efficient care to join the Department at Walker Family Cancer Centre in a locum capacity November 2016 until August 2017 for maternity leave coverage. This part of the role currently is 0.75 of ONT MOA FTE and will be eligible for physician replacement financial support based on ONT MOA guidelines. This is in addition to working in a private office practice and Niagara Health to provide care for benign hematology conditions including thrombosis service.

Niagara is a thriving region with agricultural and green space, an active arts and cultural community and world class wine and food culture. This makes it a very rewarding place to live and work. Niagara Health is one of the largest multi-site health care systems with 700 beds including the new one million square foot state-of-the-art hospital in St. Catharines which is the site of Walker Family Cancer Centre. The transformation of health care across Niagara continues with planning for an additional new hospital to serve residents of the southern part of the region.
