

MALIGNANT / BENIGN HEMATOLOGY WITH THROMBOSIS, APP POSITION WALKER FAMILY CANCER CENTRE & NIAGARA HEALTH

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology, Service of Hematology and Thrombosis. The selected candidate would practice malignant hematology at Walker Family Cancer Centre. This part of the role currently is 0.70 of ONT MOA FTE. This is in addition to working in a private office practice and Niagara Health to provide care for benign hematology conditions including thrombosis service.

Niagara is a thriving region with agricultural and green space, an active arts and cultural community and world class wine and food culture. This makes it a very rewarding place to live and work. Niagara Health is one of the largest multi-site health care systems with 700 beds including the new one million square foot state-of-the-art hospital in St. Catharines which is the site of Walker Family Cancer Centre. The transformation of health care across Niagara continues with planning for an additional new hospital to serve residents of the southern part of the region.

Current group:	<ul style="list-style-type: none"> • 14 with new recruit
Call:	<ul style="list-style-type: none"> • Shared Oncology & Hematology Call Coverage Only
The Practice:	<ul style="list-style-type: none"> • Remuneration for Malignant Hematology is 0.70 FTE ONT MOA • APP + FFS for Benign Hematology
Academic Affiliations:	Strong academic partnerships are a priority for Niagara Health as the organization builds robust relationships with McMaster University Michael De Groote School of Medicine and its regional campus in Niagara, as well as Brock University and Niagara College. We are interested in physicians who will pursue university academic appointment and participate in academic and research activities, and leadership opportunities.
