

Obstetrician NIAGARA HEALTH

The Department of Obstetrics/Gynecology at Niagara Health seeks highly motivated physicians with a passion for providing the highest quality care to join the department. The department is currently recruiting for one full time position.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team is made up of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care and Surgical Care.

Our Accreditation with Exemplary Standing is a clear demonstration of our team’s commitment to the highest safety and quality standards. As a community-based academic centre, teaching and learning, research, innovation and partnership are propelling us as we imagine a healthier Niagara.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NH as the organization builds on a robust relationship with McMaster University’s Michael G. DeGroote School of Medicine
