

LOCUM ONCOLOGY HOSPITALIST WALKER FAMILY CANCER CENTRE & NIAGARA HEALTH

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology as a Hospitalist for a full-time six-month locum tenens position which may transitioned to a permanent position.

The practice would consist of MRP responsibilities from Monday to Friday for patients admitted under the Oncology Service for management of disease or treatment related issues, and includes consultation from the Emergency Department or Outpatient Oncology Clinics as directed by Medical, Hematologic or Radiation Oncologists to facilitate hospital admission as MRP. Participation in outpatient care would also include consultation to facilitate work-up of patients without an established cancer diagnosis, and provision of medical procedures including paracentesis, thoracentesis, lumbar puncture, bone marrow biopsy or others as required. On-call duties overnight and on weekends would be shared with the Oncologists. MRP activities and those in the outpatient setting would be supported by experienced Nurse Practitioners.

Niagara is a thriving region with agricultural and green space, an active arts and cultural community and world class wine and food culture. This makes it a very rewarding place to live and work. Niagara Health is one of the largest multi-site health care systems with 700 beds including the new one million square foot state-of-the-art hospital in St. Catharines which is the site of Walker Family Cancer Centre. The transformation of health care across Niagara continues with planning for additional new hospitals to serve residents of the southern part of the region.
