

OPHTHALMOLOGIST

The Department of Surgery, Division of Ophthalmology at Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the NH Medical Staff as an Ophthalmologist. The selected candidate will have a proven track record of innovation and for providing exemplary patient care.

Niagara Health is one of the largest multi-site health care systems in Ontario serving 434,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,500 employees, 640 physicians and a \$500M budget, Niagara Health provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for Niagara Health as the organization builds on a robust relationship with McMaster University's Michael G. DeGroote School of Medicine. As such, priority will be given to those with academic strengths.
