## Level Documentation"

Completion of provider orders and note required to charge appropriately.

There is no specific OB Triage Dynamic

Doc note template but the Labor Progress note template could be used and renamed for OB Triage.

**Decision [51]**

Description: Will the patient be admitted or discharged?

Step Impact: Financial

Comments: If patient is being transferred to Emergency department from OB Triage, it is recommended to discharge the Outpatient in a Bed encounter and re-register via the ED Quick Registration conversation. This will ensure the Emergency Encounter Type is applied.
