Start/Stop [3]

Description: START

Work Step [4]

Description: Select the Camera Capture application. Log on using Millennium credentials or PIN in if already logged on.

System [5]

Description: The default "Schedule" view displays IF this is the users first initial log on to the application.

System [44]

Description: On subsequent sign-ins, the view will display based on the users previous selection of Schedule, Patient List or Patient Search.

Work Step [12]

Description: If searching by Schedule, Adjust the day and time as appropriate.

Decision [8]

Description: Does the desired appointment display?

Work Step [6]

Description: Select the appropriate appointment from the list.

Work Step [33]

Description: Tap the GREEN check button.

Work Step [39]

Description: Enter image details and tap "Save" when complete.

Start/Stop [42]

Description: STOP

Work Step [11]

Description: Change the search criteria by touching the drop down and selecting Schedule, Patient List or Patient Search.

Work Step [14]

Description: Select the appropriate patient from the list.

System [24]

Description: The image capture screen displays.

Work Step [28]

Description: Tap the camera icon at the bottom of the screen to capture the image.

Decision [31]

Description: Is the image satisfactory?

Decision [15]

Description: Determine how you would like to search for a patient and select either Patient List or Patient Search.

Work Step [34]

Description: Select the RED X button.

Work Step [7]

Description: Enter necessary patient information and tap the search button.
