

Pathologist NIAGARA HEALTH

The Department of Laboratory Medicine at Niagara Health seeks highly motivated, experienced laboratory physician with a passion for providing the highest quality of care to join the department. This position is available as Full-Time position starting from July 1, 2025 at Niagara Health. Successful candidate maybe asked to cover one of the three sites. This is a general Pathology based Laboratory medicine program that supports the medical and surgical departments at various sites including the Walker Family Cancer Centre.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based and virtual services.

We believe that every person in our region deserves to live every day of their life in the best health possible. As a community-based academic center, our focus on teaching and learning, research, innovation and partnership propel us to continually improve care and make a difference in people's lives.

Our team is made up of more than 7,300 employees, physicians and volunteers who we count on to deliver Extraordinary Caring. Every Person. Every Time. Our Accreditation with Exemplary Standing is a clear demonstration of the team's commitment to the highest safety and quality standards.

We provide a full range of acute care hospital services to the 450,000 residents across the Niagara region, and we are one of the few hospitals in Ontario that own and operate a long-term care facility.

Creating a healthy community is a collaborative effort. The courage and hope demonstrated by so many during the COVID-19 pandemic inspire us to continue to work with community partners to improve the health and well-being of our region

Current group:	<ul style="list-style-type: none"> 12.5 Laboratory Physicians Positions with new recruit. The pathologists provide on-site laboratory medicine services at St. Catharines, Niagara Falls and Welland Sites.
